

## Circus parties and workshop information

Looking for something a little different for your child's birthday? St Albans Trapeze offers circus-themed aerial workshops, where children can experience and learn moves, climbs and poses on the static trapeze, aerial silks and aerial hammocks.

For health and safety reasons, and in order for everyone at the party or workshop to receive a high level of attention and tuition during their time with us, we generally have a ratio of approximately one teacher for every four children.

If you would like to have an after party with snacks and cake, the dining room next to the hall can be rented at £25ph. While we don't provide food, you are very welcome to bring your own.

Children's parties workshops are run by Kate Hounslow and Ali Walker. Additional teaching depending on class size provided by Tacha Cooper / Natalie Ryan / Sarah Aitchison / Pete Wilson / Leanne Laird. All teachers have been subject to an Enhanced DBS Check and at least one present will have up-to-date first aid training.

For all workshops, please wear leggings that cover the backs of knees, and a leotard or tight-fitting t-shirt or sports top.

### **Where to find us**

The Grove Junior School  
 10 Dark Lane  
 Harpenden  
 AL5 1QA

To get to Grove Junior School, drive all the way up Dark Lane (it looks like a dead end.) Turn right into the car park, and then facing the building, walk right and then take a left turn around to the front of the building. As you walk in the door, the dining hall is right in front of you and the sports hall is on the right.
